

Getting Started Zoom Guide for Students

Install and Download

Before you use Zoom, we recommend you install the Zoom software for your device. Start by going to illinois.zoom.us and click **Download Client** in the footer. Download the Zoom Client for Meetings.

Log in and Set Up

WEB PORTAL (illinois.zoom.us)

Go to illinois.zoom.us and log in with your Illinois NetID and password.

ZOOM CLIENT

1. Once the Zoom Client for Meetings is installed, click the **Sign In** button.
2. Click **Sign In with SSO**.
3. Enter **illinois** when prompted for your company domain.
4. Enter your Illinois NetID and password on the University of Illinois login screen.

Where do I find my course meeting?

Find out from your course staff how they will be sharing the meeting invitation or ID:

- Sharing using Lon-Capa, Moodle or Compass2g
 1. Find the Zoom connection link within the course page.
- Sharing the meeting URL via email
 1. Click the meeting URL and open in Zoom Desktop client when prompted
- Sharing the meeting ID and password via email
 1. Find the meeting ID and password from the professor or TA. Open the Zoom Desktop application on your PC or mobile device. Click join and enter the meeting ID and password.
